CASK ALE

3.7% ABV £62.99
4.0% ABV £63.99

Thwaites Chestnut Dancer 3.8% ABV £61.99

A highly quaffable, malty ale with toffee and caramel sweet flavours. Chestnut Brown derives its name from one of Thwaites award winning Shire Horses, who have served the family business down the years delivering their beers around the pubs of Lancashire and latterly on parade at shows and publicity events.

Thwaites Liberation Ale 4.5% ABV £72.00

Liberation is a dark gold/red ale. The nose is very fruity and gently malty, with a nice undercurrent of leafy Goldings hops. On the palate this is a creamy-textured, luscious beer with a big red fruit flavour, a little sweet suggestion, and some malty, biscuity character. There's a good acid balance, with some crispness and freshness in the finish.
